

# FAMILY & SCIENTIFIC CONFERENCE

ACCELERATING DISCOVERY & DRIVING HOPE  
FOR 4H LEUKODYSTROPHY

**OCTOBER 13-15, 2023**  
**CHILDREN'S HOSPITAL OF PHILADELPHIA**

# EVENT OVERVIEW

---

The Yaya Foundation for 4H Leukodystrophy brings together our community of families, clinicians and researchers in the city of brotherly love. This hybrid opportunity allows for our families experiencing a similar journey, to build community, hear about current research and engage with professionals with resources available to them.

# EVENT DETAILS

---

**WHEN**            October 13-15, 2023\*

**WHERE**           Children's Hospital of Philadelphia

**AUDIENCE**      Families affected by 4H Leukodystrophy, clinicians, researchers and industry partners

\*Clinic and research visits will be available to families in the days leading up to the conference, which is extremely helpful for those traveling long distances and/or to combine multiple appointments into a single visit
